### Zen Technologies

Zen Technologies [BSE: ZENTEC] develops state-of-the-art training equipment and simulators for weapons and allied defence equipment. Zen, incorporated in 1993, with headquarters in Hyderabad, has over the years designed, developed and manufactured various types of training equipment and simulators. The products developed in-house meet high qualitative standards and are cost-effective. The company has supplied over 450 simulators to over 100 customers across all the three armed forces, State and Central Police Forces of India and other countries. With the aim to develop world-class training equipment and simulators, the company attaches special importance to R&D with its facility being recognized by the Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India. Zen has an ISO 9001:2008 (QMS), ISO 27001:2005 (ISMS) Certification and is a CMMI Level 3 company. For any further information, please visit [www.zentechnologies.com](http://www.zentechnologies.com)
