About Zen Technologies Limited

Zen Technologies Limited is a pioneer and leader in providing world class state of art Defence Training Solutions and has a proven and impeccable track record in building training systems for imparting defense training and measuring combat readiness of security forces. The company is engaged in indigenous design, development and manufacture of sensors and simulators technology based defence training systems and has relentlessly been providing Defence Training Solutions and seamless services to Ministry of Defence (Armed Forces), Security Forces Police, Para-military forces and is privileged to have served the nation for over 2.5 decades.

The company manufactures land based military training simulators, driving simulators, Live range equipment and Anti drone Systems. With a dedicated R&D (recognized by the Ministry of Science and Technology, Government of India) and production facility in Hyderabad, the company has applied for over 90 patents and shipped more than 1000 training systems around the world.
