Press & Media Release

Hyderabad, 7th December, 2021

Zen Technologies Limited's subsidiary Unistring Tech Solutions Private Limited secures its biggest ever order worth ~₹ 61 Crores.

Unistring Tech Solutions Private Limited (UTS), a subsidiary of Zen Technologies Limited, has secured an order worth ~₹61 Crores from an Indian defence PSU. UTS has embraced 'less is more' philosophy following Zen's investment and has achieved this milestone order by ensuring laser-like focus on developing electronic warfare and counter-drone technologies.

Commenting on the order win, Dr Shravani Srinivas, MD, UTS said "*This is a small start and we expect larger orders to come in the future*".

About Zen Technologies Limited

Zen Technologies Limited is a pioneer and leader in providing world class state-of-the-art Defence Training Solutions, Drones and Anti-Drones solutions and has a proven and impeccable track record in building training systems for imparting defense training and measuring combat readiness of security forces. The company is engaged in indigenous design, development and manufacture of sensors and simulators technology based defence training systems and has relentlessly been providing Defence Training Solutions and seamless services to Ministry of Defence (Armed Forces), Security Forces Police, Para-military forces and is privileged to have served the nation for over 2.5 decades.

The company manufactures land based military training simulators, driving simulators, Live range equipment and Anti drone Systems. With a dedicated R&D (recognized by the Ministry of Science and Technology, Government of India) and production facility in Hyderabad, the company has applied for over 109 patents and shipped more than 1000 training systems around the world.
