## **Independent Auditor's Report**

To, Zen Technologies USA Inc 301 N Heartz Rd, Coppell TX 75019, USA

Kind Attention: Mr. Satish Atluri

#### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of Zen Technologies USA Inc., which comprise the balance sheet as of March 31, 2025, and the related statements of income, changes in stockholders equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Zen Technologies USA Inc as of March 31, 2025, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Zen Technologies USA Inc and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zen Technologies USA Inc's ability to continue as a going concern for the foreseeable future.

## Auditor's Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zen Technologies USA Inc's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zen Technologies USA Inc's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For Zen Technologies USA, Inc.

Mr. Satish Atluri Director

Dt. May 15, 2025

#### **Notes to financial statements**

### 1. Nature of operations

Zen Technologies USA, Inc. (hereinafter referred to as "The Company") was incorporated on March 09, 2018, a as a C-Corp with registered office situated at 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801, United States of America (USA).

The Company aims to sell combat training products to defense and security customers worldwide. The Company expects to commence commercial operations in the financial year 2025-26 and its parent entity is committed to provide funds as and when required to enable Zen Technologies USA, Inc. to continue as a going concern for at least twelve months from the balance sheet date.

#### 2. Significant accounting policies

These financial statements as at and for the year ended March 31, 2025 have been prepared in accordance with the accounting principles generally accepted in Unites States (US GAAP).

#### a. Basis of preparation

These financial statements have been prepared for the Company as a going concern on the basis. The accounting policies have been consistently applied by the Company.

## b. Use of estimates & judgments

The preparation of financial statements in conformity with US GAAP requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

## c. Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

## d. Accounts payables

Accounts payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payables are classified as current liabilities if payment is expected within one year or within the normal operating cycle of the business.

## e. Debt instruments and other financial liabilities

The Company initially recognizes debt instruments issued on the date that they originate. All other financial liabilities are recognized initially on the trade date, which is the date that the Company becomes a party to the contractual provisions of the instrument. These are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortized cost using the effective interest method.

#### **Notes to financial statements**

#### 2. Significant Accounting Policies (continued...)

#### f. Employee benefits

#### **Short-term employee benefits**

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### **Compensated absences**

The company's leave policy doesn't permit carryover of leaves to the subsequent periods. Therefore, no amounts for compensated absences have been accrued.

#### g. Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

#### h. Income taxes

Income tax expense consists of current and deferred tax. Income tax expense is recognized in the income statement except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets are recognized where realization is reasonably certain.

#### i. Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

## Notes to financial statements

## 3. Cash and cash equivalents

Cash and cash equivalents include:

#### 17. Fair value measurements of financial instruments

The carrying amounts of cash, receivables and payables in the financial statements approximate their fair values due to the short-term nature of these financial instruments. Short-term borrowing comprises of loan from holding company payable on demand. Because of its short-term nature, the carrying amount of the short-term debt also approximates fair value.

#### 18. Contingencies

In the normal course of business, the Company is named in legal proceedings. There are currently no material legal proceedings pending with respect to the Company.

Loss contingency provisions are recorded if the potential loss from any claim, asserted or unasserted, or legal proceeding is considered probable and the amount can be reasonably estimated. If a potential loss is considered probable but only a range of loss can be determined, the low-end of the range is recorded. These accruals, if any, represent management's best estimate of probable loss. Disclosure also is provided when it is reasonably possible that a loss will be incurred or when it is reasonably possible that the amount of a loss will exceed the amount recorded. Significant judgment is required in both the determination of probability of loss and the determination as to whether an exposure is reasonably estimable. Because of uncertainties related to these matters, accruals are based only on the best information available at the time. As additional information becomes available, we reassess the potential liability related to claims and litigation and may revise our estimates.

The Company reevaluates its exposures on a periodic basis and adjusts reserves as appropriate.

#### 19. Going concern assumption

The Company does not have an active revenue stream. It has been incurring marketing spends and has recently participated in the International Exhibition to showcase its products and services portfolio. It is trying its best to secure customer orders. It is investing in building its presence in the United States market with the hope of generating future revenue stream. The Company's Parent - Zen Technologies Limited, India is committed to provide funds as and when required to enable Zen Technologies USA, Inc. to continue as a going concern.

#### 20. Subsequent events

In accordance with ASC 855 – Subsequent Events, the Organization evaluated subsequent events through the date these financial statements were made available for issuance.

For Zen Technologies USA, Inc.

Mr. Satish Atluri
Director
